### "A good time was had by all!"

Lets all thank John Feeney of Investors Home Loans for organizing our Quarterly Mixer at the Palomares Café on March 8, 2005. Everyone had the opportunity to talk with at least five people thanks to the membership committee's idea to have us get

signatures to enter for the prize drawing, good idea! Hopefully we all had a chance to pass a tip or two during this fun filled event.

### Last Week's Presentation

Steve Owen took the time to let us and the new members to get to know Steve better as the speaker on March 1<sup>st</sup>. We now know that Steve has only received six - W-2's in his illustrious career as a businessman. ☺

Did you know Steve Owen is not only our contractor, but also our building consultant! With the increase of people remodeling their homes on their own, more and more work is being done wrong. This can ultimately have a negative affect on the actual resale value of the home. When having consultation from Steve Owen, people can remodel their homes and be confident the work done in compliance with inspection codes.

If there is anyone that knows a person with remodeling ideas, a tip can be passed to Steve Owen by calling 510-581-7540, or e-tip at [www.cvletip.com](http://www.cvletip.com).

*Welcome to our Guests!*
