## LeTip News & Information

### A NEW MEMBER WELCOME!

Please welcome Adrienne Chapman Ericson, J.D. of A.C. Ericson Insurance Services. She provides professional liability insurances; such as Errors & Emissions, to business owners, contractors and business professionals. Adrienne was brought to us by Rich Camillieri, and should prove useful as we all need professional and business liability insurance.

Give her a call at 510-886-2747 to welcome her to the group. Another great way to help our new members get acclimated is at the "New Member mixer."

### Last Week's Presentation

During Tuesday's speech, David Gehrke of "Kwik" Milady Cleaners gave all of us an education on how to read the care labels on our clothing, and what they all mean.

David explained how important it is to pay close attention to the care labels when cleaning any type of cloth. One way of cleaning cottons may not work for cleaning silks. David made a good point for everyone to listen carefully to; If you or a cleaner follow the manufacture's instructions and the garment is damaged, you should return the garment to the store you purchased it from and explain what happened. If the store will not resolve the problem, contact the manufacture." It is possible to get your money back or a replacement of the damaged garment(s).

If there is anyone that knows of a business complex that could use a delivery dry cleaning service call "Kwik" Milady cleaners at 510-278-1811, or e-tip at [www.cvletip.com](http://www.cvletip.com).

### Board of Directors meeting
